

Vermont Climate and Health Alliance, Vermont Medical Society, and Vermont Public Health Association – 2023 Advocacy Day
Friday, April 7th, 2023

Agenda:

8:00-9:00 am – Coffee, pastries and policy overview/talking point preparation at VNRC office for those interested and able (11 Baldwin St. Montpelier, VT 05602) – ***PLEASE NOTE: We are happy to organize a short, virtual issue brief on the bigger policies prior to April 7 too***

9:00-11:00 am – Meetings with Legislators and Legislative Leadership
Exact meetings and times still TBD

1. Meeting with House Speaker Jill Krowinski — and potentially House Majority Leader Emily Long, House Whip Kathleen James, others
2. Meeting with Senate President Pro Tem Phil Baruth
3. Testimony to House Environment & Energy Committee, Senate Natural Resources & Energy Committee?

10:30-11:00 am- Meeting with Lt. Governor David Zuckerman

11:00-12:00 pm – Press conference in the Cedar Creek Room of the State House

- Media event/press conference where public health leaders can speak broadly to the need for climate action (not the details of the policies though, ideally, they'd support some of the bigger policies in play — S.5 (The Affordable Heat Act), Renewable Energy Standard modernization, climate and clean energy workforce investments, etc.

12:00-1:00 pm – Lunch and debrief at VNRC office (11 Baldwin St. Montpelier, VT 05602) or 1-1 meetings with their Rep/Senators, if time/interest

-VERY short messaging doc, 3 sentences on AHA-
