

Annual Meeting Sponsorship

Meeting the Moment: Reimagining Regional & Local Networks for Public Health Resilience

This Is a Moment for Public Health Leadership

Vermont's public health system is navigating workforce strain, funding uncertainty, endemic misinformation, and widening inequities. At a time when fragmentation is easy, coordination is essential.

The Vermont Public Health Association's Annual Meeting is the only statewide gathering that brings together public health professionals across sectors, regions, and disciplines to strengthen the relationships that keep Vermonters healthy.

This year's convening will focus on:

- ✔ **Sustaining regional preparedness in a changing federal landscape**
- ✔ **Building resilient local partnerships that improve long-term health outcomes**
- ✔ **Elevating innovative, community-driven solutions**
- ✔ **Strengthening cross-sector collaboration**

Event Details:

May 6, 2026

4:15pm - 7:00pm

UVM Health - Red Cedar Room, South Burlington

- — Agenda includes: student research posters, panel discussion, public health champion award ceremony, and exhibitors/networking.

WHY SPONSOR?

Your sponsorship supports:

- A connected statewide public health ecosystem
- Accessible participation for students and frontline professionals
- Recognition of Vermont's Public Health Champions
- Student research and community innovation
- High-impact networking and collaboration

Sponsors are recognized as visible partners in strengthening Vermont's public health resilience at a critical time.
